

Quick How-To:

How to Download an App from the App Store

Who is this for?

This guide is for learners who want to add useful apps like Zoom, Facebook, or their bank's app to their smartphone or tablet.

Step-by-Step Instructions

Step 1: Open the App Store

- On iPhone or iPad, locate the **App Store icon**

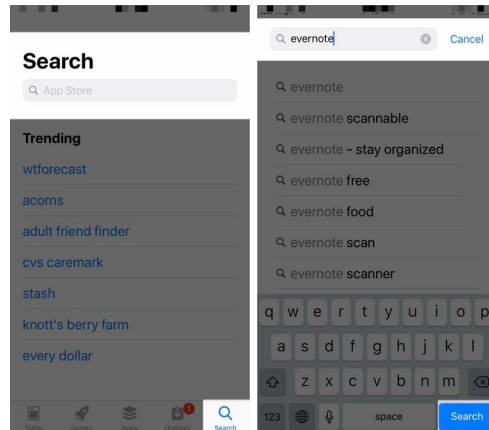

- On Android devices, tap the **Google Play Store icon**.

Step 2: Search for the App You Need

- Tap the **Search** bar.
- Type the name of the app, like 'Facebook' or 'My Bank App'.

Step 3: Tap 'Get' or 'Install'

- Tap the button next to the app name.

- You may be asked to enter a password or use your fingerprint.

Step 4: Wait for the App to Install

- The app will download and install automatically.
- Once it appears on your home screen, you can tap it to open.

You Did It!

Now you've added a new tool to your device — ready to use whenever you need it.
