

Quick How-To:

Download an App from the Google Play Store

Who is this for?

This guide is for learners who want to add useful apps like Zoom, Facebook, or their bank's app to their smartphone or tablet.

Step-by-Step Instructions

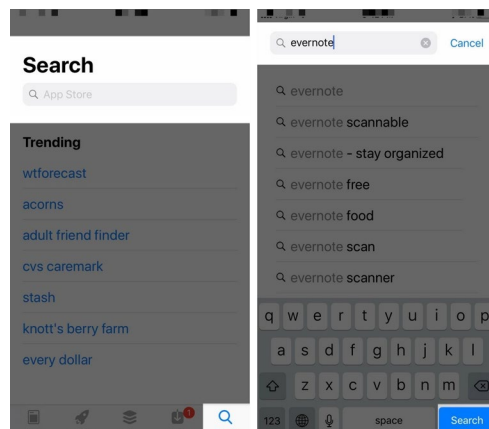

Step 1: Open the Google Play Store

- On your Android phone or tablet, locate the **Google Play Store**

Step 2: Search for the App You Need

- Tap the **Search** bar.
- Type the name of the app, like 'Facebook' or 'My Bank App'.

Step 3: Tap 'Get' or 'Install'

- Tap the button next to the app name.

- You may be asked to enter a password or use your fingerprint depending on your system settings.

Step 4: Wait for the App to Install

- The app will download and install automatically.
- Once it appears on your home screen, you can tap it to open.

You Did It!

Now you've added a new tool to your device — ready to use whenever you need it.
