

Quick How-To: Find and Share Local Resources Info (Jobs, Events, Clinics)

Who is this for?

This guide is for anyone looking to help others by finding and sharing information about local resources like job openings, events, or health clinics.

Step-by-Step Instructions

Step 1: Search for a Trusted Local Website or Page

- Use your tribal, city, or school website, or a Facebook community group.
- Look for tabs like 'News,' 'Jobs,' or 'Events.'

Step 2: Find the Information You Want to Share

- Look for flyers, announcements, or posts with clear details.
- Double-check the date and time.

Step 3: Copy the Link or Save the Flyer

- Tap 'Share,' 'Copy Link,' or download the image or PDF to your device.

Step 4: Send It by Text, Email, or Social Media

- Send it to family, friends, or post it in a group chat.
- Add a short message explaining the information.

You Did It!

You learned how to find and share information about local resources.
