

# Quick How-To: Help a Family Member Join a Zoom Call

---

## Who is this for?

This guide is for anyone helping a friend or relative connect to a Zoom call.

## Step-by-Step Instructions

### Step 1: Send the Zoom Link

- Use text or email to share the Zoom link with your friend or relative.
- If they don't have the link, copy and paste it for them.

### Step 2: Walk Them to the Link

- Let them know how to open the invitation that was sent by text or email.
- Next tap the link

### Step 3: Join with Video and Audio

- If they wish to be seen by others in the meeting, they must choose option "Join with Video"
- To turn on the microphone during the meeting they must also chose the option "Join with internet audio".

## You Did It!

You've helped a friend or family member join a zoom call.
